Welcome page

Welcome to the survey!

We are pleased that you are taking the time to take part in this survey. This short survey will take approximately **5 minutes** to complete. Thank you for your participation!

Since this is a very short survey, we can only offer it in German and English. As with the other surveys, we are interested in your individual assessments, so there are no “right” or “wrong” answers.

Your participation is of course voluntary. You can indicate at any time that you do not want to answer questions. Your information will only be evaluated anonymously, i.e. without your name and address, and only combined with the information provided by other respondents. We fully comply with all data protection regulations.

As a thank you for your participation, we are giving away 20 x 100 € among all participants!
